

DECKER® WPC WALL CLADDING
LIMITED WARRANTY AND PERFORMANCE STATEMENT

At Decker®, we are committed to ensuring that our customers enjoy long-lasting satisfaction from our WPC (Wood-Plastic Composite) Wall Cladding products. This warranty reflects the strict quality control standards applied during the design and manufacturing stages and is fully compliant with U.S. law.

Decker® warrants that its WPC Wall Cladding products will maintain structural performance for the warranty period indicated in the table A, provided the products are installed in strict accordance with Decker®'s written installation guidelines and properly maintained under normal usage and service conditions.

TABLE A

PRODUCT NAME	RESIDENTIAL WARRANTY PERIOD	COMMERCIAL WARRANTY PERIOD
Decker® Istanbul	25 Years	15 Years
Decker® Paris	30 Years	15 Years
Decker® Miami	30 Years	15 Years

Structural Performance

“Structural performance” refers to the product’s ability to retain load-bearing capacity, resistance to warping, cracking, splitting, or separation at panel joints. This warranty also covers structural issues resulting from material or workmanship defects originating from the factory.

Installation Requirements

Decker® WPC Wall Cladding products must be installed strictly in accordance with Decker®'s written standards and guidelines. The installation must use profiles, fasteners, and screws specified by Decker®, and must be performed only by Decker® approved and authorized installation contractors. Failure to follow these requirements, use of unauthorized materials, or improper installation techniques may negatively affect product performance and will void the warranty. This provision is implemented to protect Decker®'s quality standards and product safety, and to ensure that end-users receive safe, durable, and long-lasting performance.

Decker® cannot be held liable for any damage, reduced performance, or issues resulting from unauthorized installation or failure to adhere to Decker®'s prescribed procedures.

Stain Protection

Decker® WPC Wall Cladding products provide stain protection under normal usage and maintenance conditions, subject to the following guidelines:

Decker® Paris Model: Spilled substances such as oil, paint, or other heavy materials will not leave a stain on the panel if immediately wiped with a damp or soapy cloth.

Decker® Istanbul and Decker® Miami Models: Any heavy substances (e.g., oil) must be wiped off

within 1 day using a cloth with Decker® recommended cleaning solution or soap. Delays beyond 1 day increase the risk of permanent staining, and any resulting stains caused by failure to clean in time are not covered under this warranty.

Paint or Coatings: Spills of paint or similar coating materials are not covered under this warranty, regardless of cleaning.

Fade Resistance

Decker® WPC Wall Cladding products are protected against color changes under normal usage and maintenance conditions.

Exterior Panels: For panels exposed to UV light, color change is limited to $\Delta E \leq 10$ during the first 5 years and $\Delta E \leq 25$ in subsequent years. Although the products are UV-protected, prolonged exposure to sunlight cannot be completely prevented from causing color changes.

Interior Panels: Interior panels are not affected by color changes; no color loss occurs under normal interior usage.

Color changes resulting from improper use, inadequate maintenance, or extreme environmental conditions are not covered under this warranty

Exposure to Heat

Products are designed for -20°C to +50°C (-4°F to 122°F) and 30–85% relative humidity.

Extended exposure to temperatures outside these ranges may affect color and performance.

Surface Damage

Impacts, misuse, negligence, or unauthorized modifications, as well as normal wear and tear, are not covered.

Paint or Other Material Applied: Applying paint, varnish, coatings, or any other foreign material, or using chemical, abrasive, acidic, or unapproved cleaning products will void the warranty.

Paint or Other Material Applied

Applying paint, varnish, coatings, or any other material to Decker® WPC Wall Cladding products will void the warranty.

Only surface treatments or coatings approved by Decker® may be applied. Any applications performed by the end-user or unauthorized parties do not fall under the warranty coverage.

Transferability (Limited)

This warranty is non-transferable, except during the first 3 years from the original purchase date, where it can be transferred once to a new property owner or user, provided written notification is submitted to Decker® and approval is obtained.

Transferred warranty coverage does not extend the original warranty period.

Exclusions

The following situations are not covered under this warranty:

- A. Improper Installation: Installation not performed according to Decker® procedures, or use of unapproved fasteners, screws, or materials.
- B. Use Beyond Normal Conditions: Any use of the product outside normal usage or service conditions.
- C. Non-Compliant Application Area: Installation in areas not compliant with building codes or

standards.

D. Deformation at Installation Site: Any deformation, settling, or related structural issues at the location where the product is installed.

E. Acts of God and Environmental Conditions: Natural disasters and extreme weather events (Acts of God) such as floods, hurricanes, earthquakes, fires, severe storms, as well as environmental factors including air pollution, mold, mildew, frost, or acid rain.

F. Normal Wear and Tear: Any deterioration resulting from regular aging, usage, or environmental exposure.

G. Appearance-Only Issues on Non-Visible Surfaces: Color change, fading, stains, or other cosmetic issues occurring on non-visible surfaces of the product.

Exposure to Heat and Surface Damage

Decker® WPC Wall Cladding products are designed to perform under normal temperature and humidity conditions. Exposure to temperatures above 275°F (135°C) may cause damage to the product and is not covered under this warranty.

Warranty Claim and Compensation

All products purchased from authorized Decker® distributors are eligible for warranty claims in accordance with the terms outlined in this document. If a valid warranty claim arises, compensation will be provided as indicated in Table 2.

Decker® has sole discretion in determining the type of remedy, which may include:

A. Replacement: Replacing the affected product with new material in equal square footage.

B. Partial Refund: Issuing a partial refund based on the original purchase price of the affected product (excluding installation costs).

Replacement products will be provided in the closest available color and design to the original product. The replacement is limited to the product styles and colors available at the time of replacement, and Decker® does not guarantee a perfect color or design match.

If a monetary refund is issued, it will be based solely on the original invoice price of the product.

Decker® is not responsible for any additional costs, including transportation, labor, or installation fees.

TABLE B

Year of Claim	Warranti Period		
	35 Years	25 Years	15 Years
1--3	90%	80%	70%
4--7	80%	80%	60%
7--9	70%	75%	40%
9--11	60%	70%	30%
11--13	50%	60%	20%
13--15	40%	50%	10%
15--17	40%	40%	
17--19	30%	30%	
19--21	30%	30%	
21--23	20%	20%	
23--25	20%	10%	
25--27	20%		
27--29	10%		

29--31	10%		
31--33	10%		
33--35	10%		

Limitation of Liability and Warranty Scope

To the maximum extent permitted by law, Decker®'s sole and exclusive obligation under this limited warranty is, at its sole discretion, limited to one of the following remedies:

A. Product Replacement: Replacing non-conforming or defective products with new products of equal quantity;

B. Refund: Issuing a refund for the affected products based solely on the purchase price specified in Table B (excluding any installation, shipping, labor, or other related costs).

Decker® will provide replacement products in the closest available color and design to the original product. However, replacements are limited to the product styles and colors available at the time of replacement, and Decker® does not guarantee an exact color or design match.

This warranty only covers the product itself. Any damage incurred during removal, transportation, shipping, installation, or disassembly, as well as any associated components such as fasteners, connectors, support elements, and other accessories, are excluded from Decker®'s responsibility and are not covered under this warranty.

Under no circumstances shall Decker® be liable for:

Lost time, lost profits, loss of use, damage to goodwill or reputation, or punitive damages,

Indirect, consequential, or special damages,

Personal injuries or property damage arising from the sale, delivery, installation, removal, transportation, or use of the product,

Damage to other equipment or accessories used in conjunction with the product.

For all products sold under this agreement, Decker®'s maximum liability is strictly limited to the original purchase price or replacement product, and under no circumstances will it exceed this amount.

These limitations apply regardless of whether a claim arises under warranty, contract, negligence, strict liability, or any other legal theory, and represent the full extent of Decker®'s obligations with respect to the product.

Furthermore, Decker® shall not be responsible for any damage, performance loss, or aesthetic issues resulting from unauthorized installation, use, or tampering. The warranty is valid only for products purchased from Decker® approved and authorized distributors or contractors; otherwise, the warranty is void.

This warranty and limitation of liability are intended to protect Decker®'s business and product standards, ensure end-user safety, and limit legal exposure

Governing Law

This warranty is governed by and shall be interpreted according to the laws of the United States and the state where the product is installed.

Legal Acknowledgment

By purchasing, installing, and/or using this Decker® WPC Wall Cladding product, the purchaser and/or end-user acknowledges that they have read, understood, and agree to be bound by the terms and conditions of this limited warranty.
